### ***OLD BRIDE TOWNSHIP COMMUNITY ENJOYS THE RETURN OF CONCERTS IN THE PARK AND BIKE SHOW***

**Old Bridge Township, NJ-** The Old Bridge Township Cultural Arts Committee is proud to bring back Concerts in the Park to the community. Last night, residents were able to enjoy a night of great music, entertainment, and food!

The night started off at 6:00 p.m. with a Bike Show. Residents rode their bikes to the park and stationed them for all to see. "SONIC REIGN" filled the night with the sounds of Classic Rock, Metal, and Hard Rock. They performed a variety of music including their most popular show featuring all different hits from A-Z (AC/DC to ZZ TOP). The five members of the band are Andy Janowiak on the Drums; Keith Benicaso playing Bass; Mark Porchik on Vocals, and Frank Leotti and Bruce Williams on the Guitar.

The vendors and restaurants who gave our residents a night off from cooking were Giuseppe's, Oriental BBQ, Nikki's Dawgs, and Friendly's Ice Cream. A special thank you to the Old Bridge Militia Foundation, Excel Urgent Care, and Chakra Creative HUB for providing their services and informing our residents about their businesses.

"I encourage our community to come out to the upcoming Concerts in the Park and enjoy quality time with family," said Mayor Owen Henry. "As the summer season is now winding down, what better way to enjoy the last couple of weeks outdoors. I want to thank the Old Bridge Cultural Arts Committee, the performers, and all the vendors who partake in this. I look forward to hearing the explosion of the great 60's sound next concert scheduled for Thursday, August 16, 2018 at Geick Park."
