

WayToPark Mobile Payment Instructions Old Bridge, NJ

<p>First you will need to download the WayToPark app to your smart phone.</p> <p>The WayToPark app is available for both iPhones and Android Phones.</p>	<p style="text-align: center;"> Apple iTunes Store Google Play Store </p>
<p>Once you have downloaded the app to your smartphone, you will need to create a new account.</p> <p>You can either login via Facebook or creating a new account if you click on 'Register'.</p>	
<p>You can then create a WayToPark user account by entering the information described below.</p> <ol style="list-style-type: none"> 1. Email Address 2. Password 3. License Plate 4. Country <p>Once you have filled in those fields, you will need to review the Terms & Conditions, followed by selecting the box that you accept the Terms & Conditions. After accepting the terms, click on Register.</p>	

After the account has been created, you will be able to add in a new form of payment (credit card). Click on 'Add new' to proceed to adding a card.

On the next screen, click on 'Add credit card'.

Fill out each of the following fields to store your credit card within WayToPark.

1. Card Number
2. Expiration Month
3. Expiration Year
4. Card Holder Name

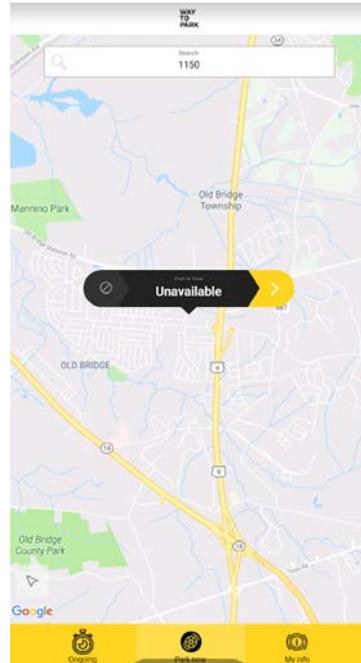

After the card has been created, you can click 'Next' to proceed to pay for parking.

After creating the credit card and clicking 'Next', you will be redirected to the Park now screen, where you can enter in the corresponding zone in Old Bridge, NJ that you will be parking in. The zone numbers and locations are as follows.

- 1150 – Home Depot
- 1151 – Inverness
- 1152 – Westminster

You will need to enter the zone number in the search bar at the top and then click on the search or enter button on the keypad on your smartphone.

The next screen will show the options for parking, as well as the costs for parking.

The license plate and credit card will be defaulted to the ones you selected when creating the account.

In the middle of the page, you will have the option to choose to pay for one day or up to 5 days. As you change the duration in days, the duration, end time and the total amount to pay will change for you to review.

Once you have selected your time and have reviewed the amount that you will be paying, you can proceed to click on the arrow next to 'Park now'.

Once you have paid for parking, you will be redirected to the Ongoing parking tab, which shows your active parking sessions and when they will expire.

If you need to change the settings within the app, including your profile settings, license plate or payment types, you can click on the My info tab towards the bottom right.

You can also view your parking history (receipts), as well as modify the settings to the app, including the notification settings.
